## SEARCH AND SEIZURE WARRANT

To: Any authorized law enforcement officer

An application by a federal law enforcement officer or an attorney for the government requests the search of the following person or property located in the Northern District of New York  
(Identify the person or describe the property to be searched and give its location):  
Electronic devices listed and further described in Attachment A, incorporated by reference. This warrant is in addition to the warrant previously authorized by the Court on May 24, 2013 for the same media.

The person or property to be searched, described above, is believed to conceal (identify the person or describe the property to be seized):  
See Attachment B

I find that the affidavit(s), or any recorded testimony, establish probable cause to search and seize the person or property.

**YOU ARE COMMANDED** to execute this warrant on or before July 1, 2013  
(not to exceed 14 days)

☒ in the daytime 6:00 a.m. to 10 p.m. ☐ at any time in the day or night as I find reasonable cause has been established.

Unless delayed notice is authorized below, you must give a copy of the warrant and a receipt for the property taken to the person from whom, or from whose premises, the property was taken, or leave the copy and receipt at the place where the property was taken.

The officer executing this warrant, or an officer present during the execution of the warrant, must prepare an inventory as required by law and promptly return this warrant and inventory to United States Magistrate Judge Hon. Therese Wiley Dancks  
(name)

☐ I find that immediate notification may have an adverse result listed in 18 U.S.C. § 2705 (except for delay of trial), and authorize the officer executing this warrant to delay notice to the person who, or whose property, will be searched or seized (check the appropriate box) ☐ for \_\_\_\_\_ days (not to exceed 30).  
☐ until, the facts justifying, the later specific date of \_\_\_\_\_.

ITEMS TO BE SEIZED

**Items evidencing violations of Title 18, United States Code, Sections 2252 and 2252A (receiving, distributing, and possessing child pornography), including, without limitation:**

1. Computer passwords and data security devices, meaning any devices, programs, or data that can be used or are designed to be used to restrict access to, or to facilitate concealment of, any computer hardware, computer software, computer-related documentation, or electronic data records. Such items include, but are not limited to, data security hardware (such as encryption devices, chips, and circuit boards); passwords; data security software or information (such as test keys and encryption codes); and similar information that is required to access computer programs or data or to otherwise render programs or data into usable form.

2. Any records or documents pertaining to accounts held with Internet Service Providers or of Internet use.

3. Computer records and evidence identifying who the particular user was who received, distributed, downloaded, accessed, viewed, or possessed any child pornography found on any computer or computer media.

4. Any and all visual depictions of minors, including, but not limited to, sexually explicit images of minors as defined in Title 18, United States Code, Section 2256.

5. Any and all records reflecting personal contact and any other activities with minors visually depicted while engaged in sexually explicit conduct, as defined in Title 18, United States Code, Section 2256.

6. Any and all child erotica, including photographs of children that are not sexually explicit, drawings, sketches, fantasy writings, and notes relating to a sexual interest in minors.

7. Records of address or identifying information for the user of the items to be searched, and any personal or business contacts or associates of his, (however and wherever written, stored, or maintained), including contact lists, buddy lists, email lists, ICQ addresses, IRC names (a.k.a., "Nics"), user IDs, eIDs (electronic ID numbers), and passwords (**evidence of attribution**).

8. This authorization includes the search of electronic data to include deleted data, remnant data and slack space. It also authorizes, if necessary, the search for and/or use of computer passwords and any devices, programs, or data -- whether themselves in the nature of hardware or software -- that may be required to access computer programs or data or to otherwise render programs or data into usable form. The search of electronic media will be conducted in accordance with the affidavit submitted in support of this warrant.
